

**MOTORSPORT IRELAND (“MI”)

at The Royal Irish Automobile Club, 34 Dawson Street, Dublin 2**

- D The following RC1s have been agreed by the Motorsport Council:  
**App. 85.1.7.3** for 2020; **85.1.7.3** with immediate effect; **85.1.4.9; 85.1.9.1;  
85.1.12.6; 85.1.24; 85.1.12.4; 85.2.30.3; 85.3.6.1.1; 85.3.7.2; 85.3.9.3; 85.3.9.4;  
85.3.9.6; 86.17; App 82.31.21.**

RC1s **85.1.2** and **85.3.2** were withdrawn.

- C **FIA Nomination:** Mr Naylor has been elected by the FIA Senate to become a member of the FIA Nominations Committee for a two-year mandate.
- C. **Women in Sport:** A grant application has been submitted to Sport Ireland with a proposal to work with schools near karting tracks around the country with a view to encouraging Women in Sport
- C Stephen Davis has been employed by Motorsport Ireland and the RIAC to look after all the marketing P’s and communications infrastructure
- C One more trial of Tracking will be funded by Motorsport Ireland in 2019. This will take place at the Monaghan Rally after which MI will prepare for Tracking introduction next year.
- C National Road Show to communicate our Strategic Plan 2019 -2022 was completed. Very positive interaction and reaction in 4 of the 5 venues. Last venue was the exception with a small number of very vocal voices complaining about the process to access our new national safety officer training qualification. All Category 2 safety officers were invited to apply. (This group was original complied 4 years ago under supervision of then Rallies Committee) There were 14 applications for 15 places in year 1. No-one was refused access to the course.
- D All minutes for the CAC must be read out at club meetings and delegates from the clubs to CAC must ensure CAC outcomes are communicated back to clubs. This was a constant issue from the road shows where information is not getting back to the clubs. The CAC is a club MI forum and to be effective the broader club membership must be informed.
