Commission: Rallycross	
Appendix and Rule Number: Appendix 82 31.21.	
Detail Reasons for Proposed Rule Change: To introduce cameras to all cars	
Effective Date: 19 th May 2019	
Existing Rule: None	Proposed Rule: <u>It is mandatory for all competitors to have video recording equipment fitted in their cars and operating during practice and racing. This must consist of at least one forward facing camera providing a reasonable view of the circuit ahead (incorporating the steering wheel of the car) as would be expected to provide a representative 'driver's eye' view. The fitting of the cameras must satisfy the safety requirements of the Scrutineers. The choice of system is free, provided that playback is possible at the circuit by regular means, such as via a laptop, PC, or by using equipment designed for the purpose provided by the competitor. Competitors must ensure that this equipment is recording during races and make the recorded footage available on request by the Clerk of the Course or his representatives.</u> <u>Where no footage is available, for whatever reason, the competitor will receive a deduction of 10</u>

	<p><u>championship points.</u></p> <p><u>Competitors may have the use of any footage not required by the officials for their own use and may use any impounded footage if and when the officials return it to them.</u></p>
