

## APPENDIX 2 – SCRUTINY – SECTION 28. ELIGIBILITY – 25 FEBRUARY 2020

**Effective date:** Immediate

**Key:** ~~deleted text~~ **new text**

**28.9.3 Components sealed as a condition of competing (e.g. Turbo and Pop off valve) must have the seal numbers recorded on their scrutiny sheets. If the seal is not numbered a description must be recorded. Should a seal need to be removed during an event to allow repair or replacement of a part, this may only be done under the supervision of the chief scrutineer or an agent appointed by him.**
