12. ORGANISING CLUB REQUIREMENTS FOR THE ISSUE OF ONE EVENT LICENCES.

12.1. One Event licences will be available for CLUBMAN category events ie. Sporting Trials, 4x4 Production Vehicle Trials, Production Car Trials, Midget Car Racing (Medical Required), specifically approved Autotest events (special safety requirements as listed in Appendix 90 will apply) and for navigators in Rallysprint events.

12.2. Clubs may buy booklets of 5 One Event licences from Motorsport Ireland (MI). These are to be paid for in advance and will cost €125.00 per booklet. Clubs may buy a maximum of 2 booklets at any one time (ie. 10 licences).

12.3. Clubs will be refunded for unused One Event licences on condition that the unused licences are returned to MI.

12.4. A competitor may buy a One Event licence on the day of the event for which it is required, from the organising club, at a cost of €25.00.

12.5. The Event Secretary must ensure that the applicant fully completes and signs the One Event licence. An official event entry form must also be completed by the applicant and the appropriate entry fee paid.

12.6. Each One Event licence has 3 parts which should be dealt with in the following way:

12.6.1. The top white "MI Copy" remains in the booklet.

12.6.2. The pink "Club Copy" should be removed and kept for the club's records.

12.6.3. The blue "Competitors Copy" should be removed and given to the competitor. This copy will entitle the competitor to receive a €25.00 reduction in the cost of their FIRST full competition licence in accordance with Article 10.1 above.

12.7. When all 5 licences have been issued, the booklet containing the 5 white MI copies must be returned to MI. No further One Event licence booklets will be issued to the club if there are outstanding returns which have not been made.

12.8. Motorsport Ireland and its Affiliated Clubs reserve the right to refuse to issue a One Event licence. (GCR 105).

13. SPECIAL LICENCE FOR DISABLED PERSONS FOR DRIVING IN EVENTS

13.1. With the exception of progressive or chronic illnesses which preclude the practice of motor sport (refer to 1.5. of Chapter II Appendix L of the

FIA International Sporting Code) and disqualifying visual disorders (refer to 1.3 Chapter II of Appendix L of the FIA International Sporting Code), any person with an acquired or congenital disability and who, in the opinion of Motorsport Ireland may not obtain a National driver's licence, may obtain a National Licence for Disabled Drivers, if all the conditions stated below are fulfilled. This licence is not eligible for single seater car races.

13.1.1. Participation of competitors holding a National Licence for Disabled Drivers is subject to the agreement of the ASN of the country of the event and of the ASN that issued the licence.

13.1.2. The secretary of a meeting in which both disabled and non-disabled persons are competing should ensure that the rescue services are aware of the competition numbers of the cars of the holders of a licence for disabled persons.

13.2. Conditions of issue.

the criteria of the awarding of this licence are evaluated on three levels: Medical, Sporting and Technical.

13.2.1. Medical Evaluation.

The disabled driver, having applied for the licence, shall be evaluated by a physician appointed by Motorsport Ireland. For licence renewal, a completed Medical Declaration and Doctor's Certificate must be submitted on an annual basis.

13.2.2. Sporting Evaluation.

If the evaluating physician agrees that the licence for disabled persons should be granted, the applicant must undergo a driving evaluation at a venue designated by Motorsport Ireland and be capable of attaining a performance equal to that of non-disabled drivers at the same level of competition. Applicants for a first time Race, Kart or Stage Rally Driver licence must successfully complete a Motorsport Ireland "Introduction to Motorsport Course (IMC)" in accordance with Article 6.8.4. of this Appendix. The applicant must provide his or her own vehicle for their evaluation or IMC course. Furthermore, and as appropriate, the capacity for extricating themselves as quickly as possible from their vehicle, in case of immediate danger (accident, fire etc.) shall be evaluated at the same time:

- The applicant must, from a sitting position in the type of car to be used, be able, alone, to extricate him or herself and move away from the car, whether the car is upright or on its side.
- In a prone position, they must be able to turn easily over both ways.

13.2.3. Technical Examination.

The applicant must obtain a competition Logbook for their vehicle, which must be examined by a Motorsport Ireland appointed Scrutineer. Any special modifications that have been made to the vehicle must be approved and recorded in the Logbook. If the vehicle has previously been issued with a Logbook, this must be returned to MI and the vehicle must undergo a new inspection. To avoid disappointment, vehicle inspection requests must be received by MI at least 4 weeks prior to any intended participation in competition.

13.2.4. When Motorsport Ireland has received the medical, technical and sporting evaluations, it will take the final decision as to the granting or denial of the licence.

13.2.5. The licence will be valid only for the vehicle for which the applicant was evaluated and if another vehicle is to be used, then an additional sporting evaluation and technical examination must be carried out for that vehicle.

14. SPECIAL LICENCE FOR DISABLED PERSONS FOR NAVIGATING IN NATIONAL RALLY EVENTS

14.1. This licence is reserved for persons physically disabled through injury or infirmity, including disqualifying visual disorders (excluding blindness), and for persons suffering from certain ailments that may be incompatible with the practice of motor sport. It allows participation in rally events as defined in Article 21 of the FIA International Sporting Code.

Under no circumstances does it allow the holder to drive a vehicle during the running of a competition.

The licence will be valid only for the vehicle in which the applicant was evaluated and if another vehicle is to be used, then an additional safety examination must be carried out for that vehicle.

14.2. Medical Evaluation.

Evaluation of the applicant's physical capabilities is required and the applicant must submit a completed Medical Self Declaration and Doctor's Certificate on an annual basis.

14.3. Safety Evaluation.

A timed evaluation of the applicant's ability to exit the vehicle unaided will be carried out:

- The applicant must, from a sitting position in the type of car to be used, be able, alone, to extricate him or herself and move away from the car, whether the car is upright or on its side.
- In a prone position, they must be able to turn easily over both ways.

14.4. When Motorsport Ireland has received the medical and safety evaluations, it will take the final decision as to the granting or denial of the licence.

15. JUNIOR CLUBMAN LICENCE FOR SPORTING TRIALS (DRIVERS AGED 10 TO 13 INCLUSIVE).

15.1. Sporting Evaluation

Junior Clubman licence (cover note) for Sporting Trials shall be granted subject to the applicant satisfactorily completing an evaluation by a panel of three experienced persons, appointed by the Trials Committee. The evaluation will test the ability of the applicant to drive and control a Sporting Trials car and their knowledge of the rules and regulations of the sport.
