Communication	Mondello – Karting Commission ran a survey on Motorsport Ireland Karting Drivers & Entrants Group on Facebook after the event the survey stated the drivers didn't want to return to Mondello. It was agreed instead of replying to each email as they were all basically with the same complaints that we would issue a Statement thanking everyone for their emails, looking for another allternative track for the July date, classes that didn't have a final (cadets, x30 senior, T4 & 125) would get a €20 discount for their entries in Round 2 (Tynagh) only.
Action	T4, Rotax Max & 125 finals are to be ran after the last of the Prefinals
Action	Indemnity forms for each event to be put up on website
Decision	2020 karting dates to be submitted to MSI
Communication	With the EVA entry system entries came in very quick
